## Healthy Aging Funding Stream Planning Grant Questions

### Healthy Aging Planning Grant Narrative Questions

Please share materials that cover the following information in either the narrative format or presentation format. In answering each of these questions, feel free to use bullet points.

1. Summary – (1-2 paragraphs) *[applicant name] is requesting [funding amount], over [x year(s)]*
  - a. *Provide a brief description of the community you serve, the health inequity they are experiencing that you seek to address, and your overarching approach/goal for how to do that.*
2. Describe the group, organization, partnership, or coalition implementing the approach.
3. What opportunities have you identified to move from programmatic approaches (short-term, individual level, non-sustaining) to PSE change approaches (long-term, community conditions, sustaining) to create a more age-friendly community?
  - a. What are the short-term goals and the long-term solutions you are working toward?
4. Who are the people and communities that you serve and what are the specific ways you engage or plan to engage populations with lived experience of the issues you are addressing in the leadership, design, implementation, and evaluation of this work?
5. Please list up to 5 key existing partners and/or partnerships you would like to establish, including their roles or potential roles, and your approach to collaboration.
6. The Funds are committed to addressing the root causes of health inequities, specifically, institutional and structural racism. Please share the top 3 ways your organization currently incorporates, or is working towards incorporating, health and racial equity into your internal organizational policies & practices.
